

## Let your love live audaciously

When her now-husband was away for two years, Yunique Co-founder Melanie Huscroft wrote to him regularly, spritzing the envelope with her favorite perfume, then signing each letter with a unique farewell.

*With all that I am, me™* fragrance is the bolder side of love, where sophistication and effortless audacity command that it be witnessed, accepted, and returned. This scent is formulated for a touch of intrigue—enveloping you with a captivating blend of woody florals featuring cashmere woods in an opulent, one-of-a-kind floral bouquet. Raw and real, this scent is meant to break down walls in a relationship, bringing out the best in each other—flaws and all.
