Blossoming Together

The Younique Experience

Throughout any journey—whether it’s toward financial security or one of self-discovery—you change bit by bit. Just like a blossoming flower unfolding its petals, people can also experience transformation.

“Younique has impacted my life in so many positive ways,” says Shelby, a Younique Presenter from Illinois. “It has made me always look for the positive. My outlook on life has changed, and seeing the good makes life so much more enjoyable.”

Before joining Younique, Shelby struggled with anxiety. She often worried what others might think. “I never really focused on what I thought were the best decisions for myself,” she says. Shelby has since gained the confidence and strength to concentrate on what is best for her and her family.

“I’m so grateful for the new outlook Younique has given me,” says Shelby. “I have the opportunity to uplift as many women as I can by reminding them of how amazing they are, and I can help support women striving for their dreams and watch them grow.”

Ezmia, a Younique Presenter from New Mexico, says that becoming part of Younique has not only given her a better vision of herself, but has helped her set an example for her daughter.

“I want my daughter to grow up striving to be strong, inspired, and empowered—just as her momma role modeled,” says Ezmia. Along with confidence, it has given her family opportunities she didn’t know were possible as a working stay-at-home mother. “I’m able to be there for my babies as well as run a business—contributing to my family while preparing for a strong future. I am forever, obsessively grateful for what Younique has done—not just for my family, but for my heart.”

Everyone deserves a chance to blossom. And as our Younique Presenters continue to flourish, so too does our mission to uplift, empower, and validate women.

The Younique Sisterhood

YOUNIQUE IS TRULY A SHARED EXPERIENCE, and at its heart is a vibrant, thriving community known as the Y-Sisterhood. Through this community, friendships are made and maintained, and empowered women can empower other women.

“I’ve made deep friendships with other Younique Presenters,” says Chrissie, a Younique Presenter from Germany. Once discovering Younique, she found a global network of women just like her sharing their experiences. “I now have connections throughout the whole world. It’s unbelievable.”

“My best friends are my Y-Sisters,” says Sherrell, a Younique Presenter from Louisiana.

“If you want to be a part of something where you feel like a family, then this is the place for you, because no matter what status you are, you’ll realize that you’re special to Derek, Melanie, and the entire Younique team. They want the best for us, and to truly change our lives.”

“I have made lifelong friends,” says Charlie, a Younique Presenter from New Zealand. “I always wanted to have a group of girlfriends, but never did. Now I’m a part of the largest sisterhood anywhere. I’ve been able to build relationships with customers who have become my dear friends and to bring old friendships back to life.”

Whether you’re a warrior mother, an independent diva, a business-savvy boss, or maybe a mix of all three, you’ll find an entire sisterhood of people just like you—because it’s through Younique that so many women have built genuine connections and lasting friendships.
